MISSOURI STATE VETERANS CEMETERY ELIGIBILITY INFORMATION

Veterans who desire burial in a Missouri Veterans Cemetery may request that eligibility for themselves and their eligible dependents be established in advance. While this will not reserve a specific gravesite, it will lessen the burden on surviving family members at the time of the veteran's/dependent's death and allow immediate scheduling of burial by the veterans cemetery staff. In situations where no pre-certification has been made, burial will not be scheduled until eligibility has been confirmed.

Residency Requirement

Veterans must have been a resident of the State of Missouri for at least 180 days sometime during their lifetime. Documentation that will satisfy this requirement includes a birth certificate, OR driver's license, OR voter's registration card, etc. for proof of residency.

Service Verification

Veterans requesting pre-determination of eligibility for themselves and their dependents should provide a copy of their DD-214 or Military Discharge showing character of discharge and dates of active service.

Marriage Documentation

Veterans who desire their spouse to be buried with them must provide a copy of their Marriage Certificate.

Birth Documentation

In some cases, the veteran's children may be eligible for burial with the veteran. Please contact a Cemetery Representative for more information about a dependent child's eligibility.

Forward all documentation along with a completed Pre-Certification Application to the MO State Veterans Cemetery where burial is desired. The addresses and phone numbers for the cemeteries are on the Pre-Certification Application form.

Upon verification of burial eligibility, the veteran will be provided with a letter stating that his or her eligibility has been confirmed. The letter should be kept with important papers or provided to the veteran's funeral director if a funeral plan has been established. A file copy of the letter and other pertinent documents will be maintained by the Veterans Cemetery so that interment can be scheduled immediately upon notification of death.
